

Subject:		Year Group/s:	Length of course:	Staff:
Ingredients		Information		
Mastery	Pain	<i>New learning: what are the new skills, techniques and knowledge that will be acquired during the course?</i>		
	Flow	<i>Examples of moments where students can demonstrate high levels of performance – immersing themselves in the course. This could be evident within certain sessions or possibly during an end-of-cycle Showcase.</i>		
	Growth	<i>How will this course challenge preconceived ideas or insist that students step outside their comfort zone to be successful?</i>		
Outcome	Artefact	<i>What will the students produce?</i>		
	Measure of success	<i>How will you measure this?</i>
